“ The news of Bob's passing has brought back so many memories of life at Six Flags Great Adventure. He was an amazing boss guiding and championing all us "youngins" thru the many challenges in running a theme park. He was a tough task master but always showed us love and commitment to our causes. Bob's much needed humor was present even during the tragic times and his warmth and compassion reigned over all of us. Bob will be a welcomed soul in heaven surely giving God some well placed advise too.
