“ *Bob was such a wonderful, gregarious guy, with many an interesting story to tell, who always made you feel right at home. He was very talented in woodworking, and we were the lucky recipients of handmade wooden chairs he crafted for us in his basement workroom. The lovely Rose of Sharon bushes that bloom in our garden each summer are a gift from Bob that he dug up from his & Edie's garden, and will always remind us of this thoughtful man! We will always remember him in friendship.*

“ *Mr. Kane always made me laugh! I remember him letting Sue & I take his car & drive around. I had just passed my driving test about 2 months before. We were so cool - driving - windows open radio on. Rest in peace Mr. Kane*

“ *What a wonderful man! Never too busy to do a kind deed for his neighbors, always with a smile and quick laugh. A life well-lived. I will remember him always with love and respect. Hurting for you all but praying you are sent peace and comfort.*
