*Dear Karen, Mike has spoken over the years about your Father and his beautiful garden and trees but now I can appreciate it for this video. Your father had a full life with family and friends surrounding him. I feel that even though I never met him, I now know him. This video was beautifully done, it made me shed a tear or two but I'm so glad to have shared in your families memories. I'm sorry for your loss. stay strong and find comfort in knowing he is planting a garden in the sky.*

*Karen and Mike,*

*Although I did not know Mr. McGuckin personally this memorial video made feel like I grew up with him. This was an awesome journey of his life and now he's the family's angel. I lost my mother going on 6 years ago and this just brought back so many memories of all the fun times we had together. So please, take those memories and make everlasting ones to help you through the tough times. My prayers are with you and the entire family!*

*Warm Regards,*

“ *Bob, we have missed you dearly on our ski trips the last few years and you will always be on our minds on every trip. We toast to you when having your favorite apres ski snack of kippers and beer. My girls still talk about your witticisms and how you made them laugh talking about our adventures skiing and at the shipyard.*

*Rest in peace Bob.  
much love Don & Gerri*
