“ One of my favorite memories of Bob is when I was about 18 I told him I was going to hitch hike to Florida. The look on his face was “I don’t think so!” So he said “kid, get in the truck I taking you to Maryland to see Terry.” We go to Maryland and the next thing I know Terry and I are on a road trip with Bob to Florida in his 16 wheeler!!
It was quite the adventure and a memory of Bob that always brings a smile.
