“ I worked with Bob for 10 years at Integra and he was always there to up lift you when you were down. He was an integral part of my work family. I remember one Christmas I was not going to be at work for the week and he insisted he needed to bring me a gift, a gourmet candy apple. I live in Jackson near the Lakehurst Air base and I knew he was in Medford so he met me at the Jackson Outlets on a rainy day just to hand off the apple in his very cute little VW bug. He was a beautiful soul and I am honored to have known him.

“ Bob was a most important person to me. There when I was in need of a friend. Never a boring story. Honored to teach his beautiful children and call his beautiful wife Jane a dear friend. I will hear him laugh with every blue cheese stuffed olive (especially if soaked in vodka), Deauville t shirt, perfectly mowed lawn, VW bug, and Maryland crab I see. Thanks for all the great crab nights, whether your way or mine. See you further on down the road my friend.

“ I was very fortunate to have Bob and Jane as neighbors. But the one thing that comes to mind in remembering Bob was on Halloween. He came across the street dressed as the grim reaper. I did not see him walk across the street so to my surprise he was standing in front of one of my windows staring in the house. The dogs were going crazy! When I opened the door he would not speak. He just stood there. I threatened him to sick the dogs on him. He finally showed who he was and we got a good laugh out of it. Great memory!!

Jane These are just a few memories I have of Bob
We loved having you and Bob at beach: Bob and Alex's ride to the beach ATV style, the crazy mouth piece game that Kaitlin brought (Bob was so funny with that thing in his mouth), Bob putting all his cracked crab meat in his soup (which looked delicious), our family picture under the Huge Crab. I loved that you two came to my BIG Birthday Party in Florida with the awesome t-shirts you and Bob bought for all my guests and me to wear! I remember the airboat ride and Bob standing on the bank waving goodbye to us. I always wish there had been one more space on board. Lastly, I came and staid at your house for Kaitlin and Alex's shower. I believe it was your sisters trying to egg Bob on by busting the piñata and all this stuff fell all over the floor and made a big mess. You guys were all laughing so hard because Bob did not like messes. We will miss Bob's smiles and his loving personality. Judy Wargo
