“ *I grew up on Pomona Road two doors up from the Whickers. I remember Mr. Whicker being called "Reds". I still see a little red hair left on the sides in this picture. I did have the pleasure of talking with him and his daughters Pam and Susan a few years back at the carnival. He was a very nice man. I used to play over the house with Pam when we were little. Now he is in Heaven with Mrs. Whicker and Pam. God Bless.*

“ I met Bob a lot of years ago when he became my supervisor. He was a very good conscientious man and treated many of us electricians with respect and dignity. I always enjoyed seeing and talking with him at various meetings with the "Old Electrical Group". He will most definitely be missed.

“ He was a great husband, father and friend who will be missed terribly by those of us who knew and loved him. I find comfort in knowing that he is reunited with his beloved Kate, his daughter and my friend Pam and his friends like Ridgeway and my father Tom. He put up the good fight and is now in a better place but the hole he leaves in our hearts will forever remain. My deepest sympathy to those he left behind!
