

## Roberto A. Fumo

September 16, 1956 - September 6, 2024

Roberto A. “Rob” Fumo passed away peacefully with his family by his side on Friday, September 6, 2024. Rob was born in Teramo, Italy to Mario and Matilda Fumo, Rob was 67 years old. He was a resident of Cinnaminson since 1962.

Beloved husband of 34 years to Denise (nee Piccone) Fumo. Loving father of Liliana (Kurtis) Gasko, Mario (Taylor DeJoseph) and Matilde (Joseph Salera). Cherished Nonno to Jameson Robert and Landon Patrick. Dear brother of Enrico “Rick” Fumo and Vincenzo Fumo.

Rob graduated from Rutgers University and received a degree in business administration. He went on to have a career in commercial real estate brokerage. He also played an important role as owner/manager of the Presidential Center. He found joy in the simple pleasures of summer days at the Jersey Shore, creating and playing music, and Sunday dinners with his family. A devoted husband, Rob was blessed with a partner who stood by his side through every season of life. He had three lovely children Liliana, Mario, and Matilde. Rob always found ways to be there for them supporting them in their own journeys through life. He adored his grandchildren who were the light of his life and he treasured every moment with them.

“ Rob was the kindest most thoughtful soul. Growing up right next door to his family brought us so many amazing memories that I'll never forget & always cherish. He was always so joyful to be around when I was a little girl, and I'll never forget it! My mom would pick me up & put me over the fence to go knock on their back door to play everyday. Even through high school and college, he'd be sure to stop and take the time to catch up with me whenever we ran into each other. Just last winter he found out I was in Matilde's chair and stopped in to say hi with Denise, and it made my day! He will be so very missed, but his memory will live on forever. Nonna was a huge part of my childhood too, and I know he got his love for family from her, he was a great dad. Sending so much love & support to the Fumos ❤️👍

“ Dear Cousin, even if we lived far from each other you always kept us united with the love for our family and your strong affinity with your country.

You had to leave Italy but you always kept it in your heart.

As you will always be in our hearts.

We dedicate to you three trees that you will see grow from heaven as a sign of our love.

"The cross of the Risen Lord is my salvation".

“ I didn't know Rob long enough. I don't think that there was a long enough to know someone like Rob. He was a man with the greatest heart, the greatest character, a person we could all hope to be more like. In the four short years that I knew him I found one of the greatest people I've known in my life. It was an honor to spend the time I did with him and I will always wish that I had more time with him. He was a great man, a talented musician, with a tremendous heart, who brought positivity to every interaction and every connection that he made. We talked, we made music, we shared life experiences and I am a better person because of the time I had time with him. I will cherish every moment I had with Rob and I will always wish that I had more time with him. He was someone that we could all hope to be more like. A man who lived a great life and positively impacted those who knew him. I miss him tremendously already and I always will. There are few men of his character, his heart, and his soul and his talent in this world. He was a blessing to all that knew him. I cherish the time I had with him, our conversations, the music we made and will always wish for more time with Rob. I'm proud to call Rob a friend and can say that even in such a short time that I had no idea would be the last years of his life that I found a love for him as a friend and as a person that I can only hope that others get to experience. Rob my life is better because I knew you. I already miss you terribly and wish we had more time together. Not a day will pass that I don't think of you. Thank you for being a blessing in my life and the life of so many others. You are deeply missed my friend.

“ *I reconnected with Rob and Denise at the RCC years ago when our children were young, but my memories date back to the 70's "Come Together" shop in Merchantville. They were the coolest, hippest couple on the planet.*

*Rob was a lovely man...soft spoken, calm, smart, funny, handsome, kind, and well-dressed with a head for business, a talent for music and a passion for his beautiful wife, Denise and his three gorgeous children, extended family and friends. A true gentleman...the last of his kind. Sending love and hugs to Denise, Liliana, Mario and Mathilde. RIP Rob.*

“ Mr. Fumo was a stand up guy. Everything he said seemed so smooth & cool yet somehow still completely authentic and caring. Everytime I left a conversation with him I thought “that is somebody worth trying to be more like”. He was just incredibly grounded and had the right perspective in life. I truly believe he lived a life full of more love in his 68 years than most could dream of. We will miss him greatly.

“ Although I only met Rob one time at Liliana and Kurt’s wedding he made a lasting impression on me. at the conclusion of his father of the bride speech, I approached him and let him know how moving it was to me as a father of two daughters whenever I attend the wedding I closely listen to the father’s speech.I could tell from that speech, the love he had for his family and that he was a true gentleman. my daughter is to be married next year and I was just talking to her about his speech.

“ When we first met Rob, he was the nicest guy ever! Our kids were dating each other at the time...So friendly and personable...but when our kids were about to be engaged, .it was so fun all of us hiding down by the river, waiting for that special moment of both our lives...then when we became family, and he was just so much more than that..he became a very good friend to my son...always so supportive..you could nt get a better role model for family being first....old school, honest and a true gem of a person... the day we knew we were having a grandson was literally the best day ever!!,we will never forget that day!! He was yelling “it s a boy!” We share two beautiful grandsons, We will truly miss you, in law, friend, nonno, and musician. Rest In Peace, our dear friend, now Angel... watch over all of us..❤️
