“ To Shawn, Dana, Karin and Kylie, Your Mom was a very special friend to Rick and I. We had so many good times at Gatehouse Apartments when we were all neighbors! I remember all of you coming to my our kid's parties when we moved to Audubon. I had just found your Mom on Facebook when I saw that she passed away. We were all hoping to get together again and take a walk down memory lane together. Love and sincere condolences to all of you <3

Your name looks extremely familiar and my mom's talked about you many times. I would love if you could reach out to me. I've been going through our photo albums and theres everything from my mom pregnant with Shawn to birthday parties with Barney, the little baby pool my mom would bathe us in before she dumped it out. There's soo many pictures and people I don't know or can't put a name to. I'd love to share all the memories and photos. Still can walk down memory lane.
