“ *To Jane, Bobby and Maria,
When I think of cousin Rocky, I see us (cousins) laughing at his jokes and stories like he was giving a monologue for a comedy show. His impressions of Rodney Dangerfield were the best. We all had so much fun when we got together and he made it more enjoyable. Though I didn't see him much, I will miss him dearly and know he is in a better place...probably telling jokes!
Love to you all,

*My memories of Rocky are many....from heading to Holiday Lake with his father's truck full of everything we needed for swimming and barbecuing to sitting on the step during our high school years just laughing and talking. He always had a huge smile for everyone and an easy laugh. RIP my childhood friend.
