“*Roxie was my 1st cousin from my mother's sister. We were a close family. I left at 17 but have fond memories of familial interactions, especially summer time visits to the Pit Restaurant in North, NY that was her parents business and residence at the time. She played the violin as I remember. I visited her in NJ during my travels as I was always welcome. She will be missed by me. We kept in touch all these years.*

“*I'm Roxie's cousin, Pat, from Amsterdam, New York. My memories are of us growing up, spending a lot of time together. Our mothers were sisters and they were very close so our family was close. Spent a lot of time at Roxie's camp up in Hadley New York. My memories will always be with me Roxie. May God bless you and keep you.*
