“ Anne and family, We are so very sorry for your loss. Your Mom was a very special woman and a wonderful person. We can't help but think of our trip to the Borgata with our Moms'; one of many fond memories to cherish. We hope these memories comfort you until you see Rose again in heaven. Love, Mimi & Katie (We are so sorry we could attend the services. I was away and Katie was not feeling well. We and Mom feel bad. We are going to plan a day to come for a visit) xoxo

Her family meant everything to her. I am sure God welcomed her with open arms.

“ My heart goes out to the Madden family. At this time we all lost someone who was so dear to us. I have nothing but love for Rose and it hurts because she was more than someone I took care of. Our relationship was genuine. I'll never love someone the way that I loved Rose being that I was her caregiver. She was truly an amazing women. She was strong and very determined to do whatever it was that she wanted too. I will forever miss her in so many ways. Her friend T!
