“ One time I got a phone call from my husbands work. He was sick and needed to go to the hospital. I don't drive I called Rosey and asked her if she could drive me to the hospital. He said he was going to the hospital in Turnersville. We went all the way there and they said he wasn't there. My heart dropped, I didn't know what to do. Rosey said why don't you call his phone. So I did and his co worker who took him to the hospital answered and she said he was at Jefferson Hospital in Cherry Hill. And she drove me there. She was such a good friend and neighbor. When she got sick she wouldn't except anyone's help . And that just killed me because I wanted to help her in anyway I could. I loved her so much and I will miss her more than words can say . Rest in Peace Rosey.

“ My dear friend Rosie will be terribly missed. We met when our boys were both in kindergarten and have been friends ever since. She was “there” for me through so many things. I treasure the memories we had together and our friendship. She was strong, courageous, caring and kind. My condolences to Chuck, Chaz and the family. She loved you all very much.

“ Roseann was a great friend. She loved her family and spoke of them proudly. I admired her strength and told her so every time we spoke. She was down to earth, funny, fiercely loyal and someone I looked up to. I know even now you are up there eager to help and guide those you love. You will be with me everyday my friend.
Love, Barbara
