“ To my new found friend of 2 years, my Patco train ride friend Rose, as I knew her. What a joy it was to see her drive near me knowing we would be on the same train to sit and have great conversations. Her daughter who was having another baby and her other daughter at Cabrini. Rose was such a sweet, beautiful person with a big heart, I totally enjoyed the little friendship we had. My heartfelt sympathy goes out to her family, it is very sad to lose a very special mom/wife/friend.  
My thoughts and prayers are with you at this difficult time,

“ I would like to send my deepest and heartfelt sympathies to Roe's family and friends during this most difficult time. Roe was a wonderful giving and caring person. I had the pleasure of working in the same office as her for 4 years and she brought a lot of joy to my work day. She cared about each and every individual that she came in contact with and went out of her way to help everyone. This is such a huge loss for all who knew her. I am so very saddened by Roe's passing, but am extremely grateful that I had an opportunity to meet and becomes friends with her. She will sadly be missed by everyone who had the pleasure of knowing her.
