“ *I first met you when you had your pizza shop on 9th Street back in 1955. Everyone in the neighborhood liked you so much, you had the greatest personality and were so kind to many people. Then you married Delores DeDonno and had three beautiful children. She was my friend as well as my maid of honor. God bless you Rudy, you were one of the very best and I'll always have many fond memories of you and Dee.*

“ *Uncle Rudy thanks for all the memories ,... to many favorites to list! The best ones were in the kitchen, where there was always room at the table! As long as we were all together it felt like a party, a little jealous of the ones we'll be missing now as you are reunited with love ones in heaven! What a party... but one day we all will be together again. For now you will be greatly missed but always loved...with heavy hearts Lisa , Jerry n Nina ?*

“ *It always seems like the "BEST and GREAT" go to soon. My thoughts and prayers go out to the whole family. You are so fortunate to have all the special memories with your Dad that you will never forget. I will never forget Rudy either, his smile would light up the whole room. He would always give me a big hug and kiss that made me feel so special and welcome when he was around.*

“ *My heart is sad for your family. Mr. Grilli was a great man. I grew up down the street on Princeton Drive and Gina and I were friends. We bounced between her house and mine. The Grilli house was like a second home. He was such a sweet man.*

“ You could not ask for a better friend then Rudy. I first met Rudy almost 55 years ago, when I, as teenager, and Rudy a young newlywed, were looking at our foundations in Millside on Princeton Drive. Immediately I knew I would have friend for life. There isn't anything that Rudy wouldn't do for you. The work "no" was not in his vocabulary. I have too many memories to list. Whatever was his, was yours. He will greatly missed by my wife, Lisa and myself.

You were my best ma when Deborah and I were married. We went through a lifetime as our parents were brothers and sisters. You will always be in my heart and Deborah & you will be missed. “ Rudy would walk across the street and share his beautiful garden's bounty with us--cucumbers; tomatoes! Basil! What a Green Thumb! In return i walked across the street with blenders full of "green zizzed rum drinks!" He loved the mint in them. To the good times Rudy! Michelle

“ Mr. Grilli always wore his incredible infectious smile. He instantly made you feel comfortable and he always wanted to feed you. I would always tell him I think of him every time I see the actor Gene Hackman and that would make him laugh. He loved life and loved his family even more. May your many memories of him bring you comfort at this difficult time. God Bless.

“ Rudy was a great guy!! He always had a story for us boy's when we were younger and Always had us all laughing :-). He always made us something to eat and we all would sit around the table listening to Rudy's story's about his childhood and his life experiences. We loved hanging around the house on Bridgeboro Rd and learning something new from Rudy . He would always tell me and Joe what to look for in a wife which made us laugh uncontrollable!! Rudy was ALWAYS one with a story or a bit of Rudy knowledge for the boy's!! God has opened his gates to a wonderful Husband, Father, Grandfather, Great Grandfather, Brother and a Sweetheart of a Man!! God Bless You Rudy! Condolences to Mrs. Grilli, Rudy &Cathy, Gina & Bobby, Joe & Patti and all the Grandchildren.
