“ Sandy, it's so hard knowing I won't get to see your smiling face, feel your hugs or share a laugh with you and Dawn as we start our workday. I feel the loss of you down here with us very deeply, but I know that we will reunite one day in Paradise. My heart is with your family right now, and I know I now have a Guardian Angel named Sandy, watching over me and mine. Your sunny smile is already missed and there is a Sandy Sized hole in my heart. The only difference is that now, that Sandy Shaped Place inside me, now has wings! Keep the Angels laughing in Paradise, my sweet Friend. You may be gone, but you will NEVER be forgotten!,

“ Brian, Mark, Matt, Paige, I am so so sorry for your loss. I have great memories from so many years ago at the hunting camp, laying outside in the sun with Sandy on lounge chairs, with fans plugged in on extension cords to keep us cool. She was a wonderful person who is now your guardian angel. ❤️

Ellen Brennan - June 27, 2017 at 06:22 PM

I remember that like it was yesterday laughing my butt off of the two of you trying to get a suntan outside using fans!!!!
