A wonderful dedication to him. I knew Scott through mutual friends and any time I would see him he would light up when he talked about his kids. Such a true family man who will be missed by many. The family has my deepest condolences. Keeping them all in my thoughts and prayers.

“ I never met Scott but my son Bryan and his wife Heather were good friends of Scott. He was a loyal friend and wonderful father and loving husband. My heart is broken for your family and my prayers are with you. I can only imagine your enormous grief ... grief shared is grief diminished and I know Heaven is lucky to welcome such a beautiful soul as their newest Angel watching over you everyday. May God Bless and Comfort you during this most difficult time. Look for the signs.

Love,
Kathy Johnson
