“ *Dear Bobadilla family,*

What can we say that you don't already know deep in your hearts. Your Shari was one of the warmest, most welcoming people we have met. She embraced strangers as friends and opened her home and her heart to everyone she met. She was beautiful inside and out. Know that she will always be with you in everything that you do and every decision you make. The wisdom, spirit, and love that your mother taught you by the way she lived her life will be there to guide you through it all.

“ *To the Bobadilla Family,
We are truly sorry for your loss. We met Shari only one time a few years back at a holiday party, and after meeting her just that once, felt like we knew her forever. She so warm, kind and full of smiles. A few weeks later, I received a Christmas card from her with a beautiful picture of the entire family. What a beautiful woman.*

We are thinking of you all at this sad time but her beautiful spirit lives on.

“ There are not enough words to say about a woman you admired so. One who walked the roads less traveled and shared her gift with the world. I've known Shari since hired at Continental 28 years ago. Her smile infectious. I sat present at her baby showers. Watched her union to Vic. And followed her life throughout the years with her beautiful family. She is one of Gods gemstones. I will draw strength from her, her journey that we often spoke on. I too have followed her beliefs even as a RN in a allopathic world. When I look towards the sky especially at night seeing all those brilliant stars I will have thoughts of her. I will miss you Shari more then words.. Your now in Gods loving hands today, tomorrow and forever xoox I love you...
