“ My Uncle Elmo was always available to do whatever you needed. He loved all the kids in the family. He attended all my life changing events. This is the one thing I will cherish the most about him. These are things you can never get back. He loved the outdoors. I believe he loved talking to you about politics more..lol! We would have great conversations about politics. God gives us special people in our lives. They have a way of making lasting impressions. I am thankful to God for letting me and Jovan share him with us. He will always be remembered and loved. Gone and resting...but never forgotten. Will Uncle RIP!!!!!!

Dietra & (Pooh) Jovan Ingram He liked calling him that!!!
