“ *He was a lovely and charming gentleman who always had a sparkling smile and an easy way about him. The kindness of his smile and those baby blues would melt your heart weather you new him or just met him. And his smile only grew wider when he saw his family or spoke of them. And after meeting all of you I understood why. So much love radiated out of one man! What great pride he had. And it was plain to see it was equally reciprocated. I'm very grateful that our paths crossed on our journey through time. He was an absolute love. I miss him dearly.*

“ I will miss him more than anyone could ever imagine!!!! He was my "Man" and my days are gonna be so sad without him!!!! He was so kind and caring and loved his family so much!!!! Seeing him every day always made me so so happy!!!! No matter what kind of day I was having he would put a smile on my face the minute I laid eyes on those baby blues and that dimple.....
