“ I started school at what is known as now, Phillips School in honor of our kindergarten teacher , I have my kindergarten picture still of our whole class. Susan is in the front row on my left. I remember most of my classmates and their name. It was a great kindergarten class. I remember our nap times and then recess. Susan was a really nice lil girl. Went though school for quite a few years. She was Class president, I think, and liked by all. I am so sorry for your loss. My deepest sympathy to all the family, and children, sisters, etc. Eileen Stinnett Tuch
