“ *Suzanne (and Marty) were a breath of fresh air at what is currently the Lockheed Martin/Moorestown facility, originally known as RCA/Moorestown. I consider myself blessed to have known them both. My sincere condolences to both the Harms and Lutz families. The loss of Sue (and Marty) before their time may have been our loss, but for sure has been heaven's gain.*

“ As the daughter of Aunt Suzie's longest friend since their childhood, Joan Hatfield, I have been blessed to have been showered with love and humor from both Aunt Suz and Uncle Marty. From days long ago of riding on the back of their dog Ginger to pre-prom photo parties and graduation parties, to celebrations of more recent days with my own daughters, Aunt Suzie, along with Uncle Marty, always treated the Hatfields as family. Aunt Suz, we will never forget all of the special times that we shared! All my love, Deb (Hatfield) Wilson

“ Nature  
As a fond mother, when the day is o'er,  
Leads by the hand her little child to bed,  
Half willing, half reluctant to be led,  
And leave his broken playthings on the floor,  
Still gazing at them through the open door,  
Nor wholly reassured and comforted  
By promises of others in their stead,  
Which, though more splendid, may not please him more;  
So Nature deals with us, and takes away  
Our playthings one by one, and by the hand  
Leads us to rest so gently, that we go  
Scarce knowing if we wish to go or stay,  
Being too full of sleep to understand  
How far the unknown transcends the what we know.
