

Taylor E. Gilmour

August 8, 1993 - September 26, 2024

Taylor E. Gilmour passed away on Thursday, September 26, 2024 with her family by her side. Born in Voorhees to Davis and Kathy Gilmour, Taylor was 31 years old. She was a resident of Medford, NJ.

Taylor is the loving daughter of Davis and Kathy Gilmour, sister of John Conner Gilmour (Sarah), and an amazing Aunt to Lily, Eva, and Nea. Granddaughter to the late Roy and Carmela Ripple, and the late Gov and Dawn Gilmour. Taylor had many surrogate moms, first and foremost Mommy Roe, Momma Karpiak, and her many Sharp Mommas.

Niece of Rosemary and Jeff Spohn, Dennis and Sharon Ripple, Thom and Brenda Ripple, Deborah Gilmour and Richard Tisdale, Cherylann and John Grillo.

Cousins who were truly her bonus sisters and brothers, Stevielynn Aho, Kyle Spohn (Lindsay), Kimberly Spohn, and Baylee Ripple.

Taylor enjoyed animals of all kinds. Although cats were her favorite, she had a deep connection to all animals. If you drove anywhere with Taylor, she would notice every dog, cat, cow, or horse on the side of the road, in a car, or a home window. She spent much of her time as a kitten cuddler at Kit Kat Playroom, a rescue organization.

The love of Taylor's life was her nieces. She treasured the time she spent with Eva and Nea in Maine. Lily came into her life last year and we never saw such a bond and love between two souls as we did with Taylor and Lily. Both sets of blue eyes would light up when they saw each other.

A gathering of family and friends will be held this Tuesday from 4 p.m. to 5:30 p.m.

Taylor's Life Celebration Service will begin at 5:30 p.m. This is when we hope people will take an opportunity to share a story about Taylor.

In lieu of flowers, we request donations are made to the kitten rescue where Taylor devoted much of her time and love: kitkatplayroom.com/donate.

“ My heart breaks for the loss of Taylor.
I only knew her through KKP and chat but it was obvious to all how loving and caring she was.
She was so kind and sweet to the kittens., I let her know how appreciated she was and she was thankful. I loved watching her with the babies and looked forward to her visits..her kind gentle voice, the way she catered to them and of course the “Wyatt-man”.
She will be remembered and missed.
Too young, too soon.
Rest in Paradise Taylor.
My condolences and prayers for her family and friends, I wish you peace.

“ I did not know Taylor but her love for animals was deep - Nothing can take away the pain but I hope that this helps.

LIFE IS ETERNAL

I am standing upon the seashore, a ship at my side spreads her white sails to the morning breeze and starts for the blue ocean. She is an object of beauty and strength and I stand and watch her until at length she hangs like a speck of white cloud just where the sea and the sky come down to mingle with each other. Then someone at my side says “There! she’s gone.”

Gone Where? Gone from my sight – that is all. She is just as large in mast and hull and spar as she was when she left my side, and just as able to bear her load of living freight to the place of destination. Her diminished size is in me, not in her; and just at the moment when someone at my side says “There! she’s gone”, there are other eyes watching her coming and other voices ready to take up the glad shout, “There! she comes”.

Ginger E Rotella - September 29, 2024 at 01:10 PM

“ I am so sorry to hear of the loss of Taylor. I knew her from KKP on camera and in chat and she had a light of positivity every time she was there. “ I never met Taylor in person but instead got to know a little bit about her through KKP. While I was anxiously awaiting the day to take home my furry munchkin, I would pop into the chat to see how he was doing and to say hello to the snugglers. Taylor would always go out of her way to talk to me, give close-ups of the then-named Newton, and even sent me photos on Instagram without me asking; she'd simply been that sweet and thoughtful, knowing I'd love to see them. She seemed like such a beautiful soul, and even though I only really knew her through a screen, I'm deeply saddened by her loss. Her impact was just that large. My condolences and love to her family.

“ I knew Taylor through the Kit Kat Playroom where she was a favorite among the chatters. She was fun to watch because her love for the kittens just flowed from her. She will be sorely missed at the KKP by snugglers, chatters, and kittens alike. Her family and friends are in my thoughts and prayers.

Cyndi Taylor - September 28, 2024 at 02:31 PM

“ Taylor was an incredible volunteer snuggler with Kitkat Playroom. She took care of the kittens several times a week, showering them with love. Taylor always showed up smiley and bright — and treated each kitten like they were her favorite in all the world. I can hear her saying “My Wyatt Man” to our super special boy, whom she adored. I’m devastated at our loss and hold her family in my heart. I’m so grateful to have had a person like Taylor in my life. Kitkat Playroom will never forget you, Taylor. We love you.

Jen Mack - September 28, 2024 at 01:56 PM

“ This news is truly devastating. Taylor was a bright star. I've only known her through KKP but even just on cam, she was caring and loving, sweetly talking to all the kittens. I will miss her happy positive snuggle visits, and will always remember her 'Wyatt-man'. R.i.P. Taylor, you are gone much too soon, and you are leaving a hole in our hearts.
