“ oh Daddy - where to even begin - it's taken me this long to try and put my thoughts together to write in here, but even as I type this I can't help but to keep wishing this is some horrible nightmare... I keep waiting to wake up, pick up the phone and call you and tell you how horrible this has been. I love and miss you soooo much.. I've always been a daddy's girl and that will never change - I know you'll still be here to look over and take care of me just as you always have. You were taken from us way too soon and all too suddenly. Thank you for the wonderful life you gave me - I will cherish all the time we had together. I hope you are up there frolicking with your beloved Zoto's - I'm sure he missed you as much as you missed him. Until we see each other again... I love you!!!!

“ Ted, I always admired your two daughters for their fun-loving personalities and their kind hearts. The day I met you, I knew exactly where Kellie and Paulla got those qualities, and why they are such wonderful people. I will always cherish the memories of the week I was lucky enough to share with you and your family in Mexico when Kellie and Tom were married. I don't think I've ever laughed so much in my life! You will be missed by all, but never forgotten.

“ Teddy Boy, we miss you already. Bowling, poker at Pat's, Showboat, Cherrywood karaoke Jersey Pub, singing "OLDIES", aviation, and lunches @ Pine hill tavern. We enjoyed a wonderful freindship! We hope wherever you are there is a bowling alley, a motorcycle to ride, and some Jack and Coke. Farewell dear freind.

“ I would like to extend my deepest sympathies to Paulla, Kellie, and all of Ted's family on their recent loss. Through the years, I worked alongside Ted on many jobs, and was also his teammate on Local 439's softball team. There were several games that saw myself on the pitcher's mound with Ted catching me behind the plate. So many good memories of an extremely likable guy. RIP now, Ted. You will be missed, my friend. Sincerely, Mike Costello

“ Ted, hope you get that 300 now. Only knew you through bowling, but you were certainly fun to be around. Wish we could have known each other longer. Girls, your father would talk about you both and always with love. I know you will miss him, but keep those good times at the top of your mind always.
