“ *Dear Frank Sinatra,*

*I am going to miss your calls, your humor, and your quick wit. You were a good friend to me for 20+ years that we worked together and such a kind and gentle man. I will miss your friendship immensely and our chats, I love you until we meet again!!*

“ I was so very sorry to hear of the passing of Teddy. For 20 years, Teddy and I would always say good morning to each other and very often he would stop by my desk to talk about work, family and just life in general. He was such a tender soul. God bless him on his journey to a better place.

“ Very sorry to the Deal family for the loss of their brother Ted. He was a staple figure here at the Distribution Center in West Trenton for many years until he became ill a couple of years ago. The biggest thing that many missed after he left was his daily conversations. He always wore his baseball cap and loved his coffee, and he was a truly dependable worker throughout his career. I will miss talking to him about life and family, and I hope he is now happy in Heaven, free from any pain or worries. Love you Ted

“ I will always remember Ted as one of the kindest people I've have ever met. I worked with Ted for many years and have so many fond memories it's hard to pick just one. but one of my favorites is when Ted was teaching me how to drive a hand truck, I got a little too close to the racks and it ripped Teds knuckles up, but he didn't care, he just said " you're doing a great job". That was Ted, God Bless his soul. My deepest condolences.
