

Theodore "Ted" Rendfrey

March 16, 1945 - April 26, 2014

Theodore "Ted" W. Rendfrey, of Moorestown, NJ died peacefully on April 26, 2014 with his family by his side. Ted was the loving husband to Sue Rendfrey (nee Welch) for 44 years. Dear father of Todd Rendfrey (Debbie) and Meghan McDonough (Brendan). Son of Doris and the late Raymond Rendfrey and nephew of Geraldine Garbe, of Riverside NJ. Beloved grandfather to his four grandsons Adrian, Caden, Declan and Kellan.

Ted attended St. Casimir School in Riverside and graduated from Riverside High School in 1963. After a long and steady climb in the sport he loved, Ted was the Senior Men national speed skating champion in 1966. He was activated by the United States Air Force to serve in Korea in response to the Pueblo incident. He returned state side in 1969.

Ted and his wife Sue ran the Alpine Skating Center in Camden, NJ from 1970 to 1973. In 1973, Ted built the Cherry Hill Skating Center in Cherry Hill, NJ. By 1976, Ted had built the Echelon Skating Center in Voorhees, NJ and in 1979 he converted the Liberty Bell Ice Palace to the Palace Roller Skating Center in Philadelphia, PA. He also owned the Holiday Skating Center in Delanco, NJ. Both Ted and Sue developed many skating programs that benefited the area youth. His life long dedication was spending time at his skating centers working with his staff and greeting their customers. Ted also enjoyed spending time in Harvey Cedars, NJ where he pursued his passion for sailing.

Friends and Family are invited to Ted's Life Celebration on Thursday May 1 at Snover Givnish of Cinnaminson, 1200 Route 130 N from 6:30-9:00pm and again on Friday, May 2 from 8:30-10:00am. “ *I am eternally grateful that Mr Rendfrey and
his management staff at the Echelon Skating
Center gave this 15 yr old girl, her first job. I
am 53 now and it still remains one of my
favorite memories, working at the rink. I am
saddened to hear of Mr Rendfrey's passing and ashamed that it
took me all this time to finally search for co-workers and discovering
this 9 years after his passing. God bless him and his family.*

“ I was saddened to read about Ted's passing recently. I owe a great deal to his examples of fairness, tolerance, good-faith and hospitality with a large dose of grace under pressure.

He had a positive influence on my character and personality, and he was quick to offer anyone a complimentary pink pass for a free skating session whenever disputes arose (matinee only).

Ted's philosophy of mastering fundamentals and refining them into his personal and professional life made him a well-respected member of many communities and affected at least a dozen generations.

I don't think I will ever see another ALL-NITE SKATE over a 3-day holiday weekend ever again or recall how many times I repeated the phrase, "please tuck your laces inside your boots" but I'm sure Ted would be there to assist me if he could.

With heartfelt condolences,

Peter DeMaris Sr. - San Diego, CA

So very sorry to hear your husband, father and our dearest friend Ted passed away. He was amongst the best of the best in our skating world and those of us who were lucky enough to call him a friend will remain eternally grateful. “ *My condolences to the Rendfrey Family at the loss of a wonderful man. When I was 10 years old, my Girl Scout Troop took us to The Cherry Hill Skating Center to earn our Skating Badge. I saw the artistic skaters practicing and I wanted to do that! I begged my mother for private lessons with Steve Hinkle and joined the Cherry Hill Skating Club (later became Omni Skating Club). I spent most of my time at the Echelon Skating Rink. Every Friday and Saturday night I was there for both sessions. Often, Ted would be seen leaning on the wall looking out at us kids. He was a papa, and I always felt safe just knowing he was there and seeing him from time to time. Rest in Peace Ted, knowing you lived life well and blessed many others just for being you.*

“ In 1972 my Girl Scout Troop went to Alpine Skating Center in Camden. We took lessons to make our skating badges. During those weeks my parents, Tom & Elaine Parente, befriended Ted & Sue and they got to talking about the new skating center they were opening in Cherry Hill, which was right down the street from my parents' house. We were there at the front of the line on Opening Day and fell in love with roller skating. Ted & Sue hired my parents as employees and through the years, when my sisters & I become old enough, worked there as well. We skated all the time, worked there and were in the club. I met my husband, Kevin Spoletti, and have been happy for 31 years...If it weren't for Ted & Sue, I would have never met my husband and had such sweet memories. I was saddened to hear about Ted's passing and wish the Rendfrey family my deepest condolences.

Growing up at the Riverside rink as I did I looked up to and admired a handful of older skaters and Ted was most certainly one. “ I was so sad to learn of Ted's passing. I will always remember his warm smile, his pleasant personality, and the respect he showed to everyone of every age. I'll remember him being kind enough to skate a set of dance steps with me at one of our reunions knowing that I was very rusty. He made every occasion seem like we saw him last week when in reality it had been years. He made his skating club proud, his skating partners proud, his wife, Sue, and his children proud, and of course, his parents, Doris and Ray. We often speak of skating knowing that our skating days were the best days of our childhood...and Ted was a big part of that by always conducting himself as a great example to all skaters of all ages! “ It is said that those who leave this world before us are setting up a greater place for us when we join them again. Ted, to me was the most caring, loving, compassionate man that I have had the honor of knowing. Always with a smile, his confidence lit up any situation. He was the Gentleman's Gentleman and treated me as one of his family for as long as I can remember. There are so few of his kind in our world today, and he will be sadly missed by all. Loving Prayers to all in the Rendfrey family for their loss. Whenever I hear a Jimmy Buffet song, I have, and always will remember, Ted's excitement to tell of a concert experience and elaborate with a few chuckles. “ *My condolences to the Rendfrey family! I'm very saddened by the passing of such a wonderful man. Ted was my first boss at the Echelon Skating Center. He has helped sculpt me into the responsible woman I am today. This was definitely my home away from home! I will cherish all of the great memories from my childhood. Thank you for such an amazing journey Ted! Rest easy my friend xoxo*

“ Sue, Todd, and Meghan, I am so sorry to hear about Ted's passing. I will always remember him for his friendly, caring, professional, way he managed the Palace Skating Rink. I have been skating at the Palace for over 20 years. To me it is the best rink, anywhere. It is clean and he kept it updated. I will miss his occasional visits to the the Palace. I always felt like it was a special day when Ted showed up. I always enjoyed our conversations, as he always took the time to talk to his regulars, and made us feel we were important to him. My heartfelt sympathy goes out to everyone in Ted's family, as well as his family of employees, whom I know will miss him as I do.

“ I have skated at all of Ted's rinks for over 25 years now and will never forget Ted. He was a true gentleman who would greet us all with a smile. His passion showed because he always had the most safest, cleanest and up to date rink, but not only that his family is truly a lovely family that is an extension of him. He will be sadly missed. My heart goes out to the family. Diane Goldthorp
