“ When Mr. Deal was last working at Project HOPE I was just finishing my fulltime stint there as a social worker/counselor before going to my present part time status. He was a friendly and gracious co-worker and made feel welcome from the start. We talked about Philadelphia experiences, sports and neighborhoods and I always enjoyed his intelligent banter and knowledge of area history. I especially appreciated his tip about Tocanelli's (sp?)pizza in Phila. as the best around!

The world is always a better place with people like Ted in it and I am sorry he is gone. Just glad he had such a full life and left others like him, I'm sure, via his family legacy. Sorry I couldn't make it last week, and may God bless and comfort his family circle and friends.

“ Ted was a wonderful neighbor and friend!! He was always welcoming with his kind smile. We loved talking with him in our yards. One of our first encounters with Ted was when he asked my husband Neal if he needed help removing a bush. He then said he would get Marlene to help😂. That was just the start of the fun talks we had!! He told me how he made fish and chips for dinner. I was impressed at his cooking skills until he told me that he dumped goldfish and potato chips on a plate! He was always making us laugh! We will miss him ❤️🙏
