“ *Theresa was so super funny and generous. When Karyn married Fran she welcomed our family with open arms and I will never forget her smile and contagious laugh!*

When my sister was pregnant with Shaun, she was the one who organized and hosted her baby shower (she never asked me, as Karyn's sister, for a dime). As all of you know, Theresa does everything 110% for everyone else, and this shower was no different. We ate well and laughed and became family...I will never forget how generous and loving she was to Shaun, Kaitlyn and especially to her own family...my one regret is not spending more time by her side.

Sabrina, Fran, Michael, Patrick, and Joe..keeping you in prayer as you endure this unimaginable loss and praying for some sort of peace in these days ahead. God bless.

Rest In Peace now sweet girl...

I always held great memories working with you, Susan and Arlene; you were all such a hoot. I will keep you in my thoughts and prayers, and pray for Sabrina to find strength, seek support and hold onto the memories and love that you shared.
