“ *So sorry to hear about Theresa, I have known her ever since I was a young girl. Emma, Marion and I babysat her son Jimmy. We became very good friends up until she moved out of her apartment in moorsetown. I lost contact with her and I hadn't heard from her since. I just now found this obit and found out she passed away. We use to have long talks on the phone, about life and when we were young and did crazy things . God be with you my dear friend. You are now with your beloved Son and Tony.*
