“ Mang Vic to most of us... we will miss you so much... Mang Vic, was once our co-worker and friend at the Cinnaminson (now Genesis)nursing and convalescent home. Mang Vic is also a very good healer. I once complained of a stiff neck and he only lightly touched/cracked my neck and stiff neck is gone like a miracle. Headache, migraine all the ache that you feel, ask Mang Vic and he will tell you what to do. No medicine needed only pressure here and there and you're healed. He sings good too and cuts our hair as well. Ahhh Mang Vic "a jack of all trades" again, you will be missed... we are so thankful that we were able to see, talk and prayed with you last Saturday and what a rain that fell as we are leaving your place. As if everyone really poured out their tears and feelings to say good bye to you... Mang Vic we will surely miss you.

He was my father -in-law. He was a great man with a gentle soul. He loved to spend time with his grandchildren. He liked to sing and dance. He played the bongos in church. He is loved by all who knew him and will be missed and will be Forever in our hearts.
