“ *Gini has been a bright spot in our lives for over 40 years. Both of us worked with her and she became one of our truest and most loyal friends. She remained so even when we were many miles apart be it in California, Mississippi or Maine. We always kept in touch.*

Gini was a kind and generous person and we admired her very much as did the many people she worked with. She was a fantastic secretary. All you had to do was to mention the name "Gini" and the superlatives would flow. She was always there for anyone who needed a helping hand.

We are so grateful to her family and close friends who have done so much in taking care of her needs these past few years and allowed her to stay in the home that her beloved Jim built for her so many years ago. She couldn't say enough good things about the people who stood by her.

We will miss hearing her loving and cheerful voice on our phone.

We love you, Gini!
