“ *Dear Grandpa, Thank you for being the best grandfather in the world. I always loved seeing you and Grandma at your house, with you two always having smiles on your faces. You constantly made me laugh, and you cheered me up whenever I was down. The strength you have shown throughout your entire life has been inspirational to me and to so many others. You have touched the lives of many just by being yourself. Thank you for showing so much love and kindness to me and to everyone else. We could not have been more blessed. You will forever be in my heart and in my soul. Although I miss you so much, I know that you are in a better place now, looking down over us. I love you Grandpa!!!*
