“ *My Uncle Wayne was a good man with a gentle way about him. He was able to breathe life into people just by listening to them. I was more or less taken from his part of the family by another families family issue, but I will always remember him and Uncle Don, and Carl with the pretty awesome Pool parties Uncle Wayne loved so much. I wished I had found him sooner. I lost track of Lousie after Charleston. Louise if you see this please contact me?*
