“ *Dear Dougherty Family,  
What a sad moment when such a unique individual is called from this life to the side of God's love. During my ten years at SCB, I don't think that I met a more giving and honest man than Bill. Our Football Club, the Carnival, the generosity of him and his family still retains a place in my happy thoughts of SCB. I know that he will be missed, but the joy of a long life is a repository of happy memories to be shared when the Dougherty Clan gathers for family affairs. Please know that I will pray for him and you for you as well.*

“ Dee, Tony and I are sending you our deepest and loving condolences to you and the entire Dougherty Family.

One of my favorite memories of Bill happened each Sunday during Football season for the past two years. Bill and I both were pro football fans. I am surely going to miss the many phone calls each and every Sunday during the Fall and Winter Football season. Each time the phone would ring both Lorraine & I would chuckle knowing it was Bill calling again to compare and share our opinions from our own armchairs just like the Monday Morning Armchair Quarterbacks! I know each Sunday during football season I will be thinking of and missing my friend Bill Dougherty. Love, peace, and friendship to you Dee. Bill will surely be missed.

“ I've known "His Eminence" for many years, since my childhood, he was always a presence at SCB. Since my employment at the Pub he was a regular customer, always requesting me when he arrived. He always had a kind word and I truly enjoyed our banter on each visit. I'm saddened by this loss not only for Dee, but for all whose life he touched. My heartfelt sympathies to Dee and the entire family. You are in my heart and in my prayers at this time!!

“ Dee,

*PLEASE! ACCEPT! MY SINCEREST CONDOLANCES TO YOU AND YOUR FAMILY ON BILL'S PASSING. I know this will leave a huge void in your life. I know what this void is as I experienced this when Ann passed away.*

*When I worked at Being in Ridley Township, Bill would make deliveries to the company. After he was finished with the deliveries, he would go to the front gate and ask for me.*

*When I went to the front gate to meet him, we would go to lunch in his tractor-trailer. This was hilarious - me with my business suit and tie; Bill with his work clothes.*

*I have known Bill since 1967 and very minute that I was in his company was a pleasure.*

*I will see you, with Tony and Lorraine, at Bill's Viewing and Funeral Mass.*

*You and your Family are in my prayers.*

*AI (Sonny)*
