“ *What a soft spoken, gentle man whose life revolved around his wife and family. I had the great pleasure to be around him at all the Powers' family celebrations as a friend of Donna and Mike. He was a man of a few words but they were always kind, funny and followed by a big smile. My prayers are with the entire English family. Take comfort that he has been reunited with Deb and that one day you will all be together again.*

“ So sorry to hear the sad news of Bill's passing. Think of him and Rita in Ocean City and the times we shared with them. Hard to walk past their condo knowing the hard time they were going thru with health issues but smile when remembering something that reminds us of them in happier times. Condolences to the family. I know he will be greatly missed.

“ I wanted to share my condolences for Uncle Bill as well. It was nice to see some pictures of him in the photo album as he lived a very long life. I have vague memories of him from my First Communion ('91 or '92). Although we have not been in touch for some time, you are still in my thoughts.

“ I am so sorry for the loss of Uncle Bill. He was such a warm, funny and loving Godfather. My dad found in him the perfect match for their witty sense of humor. The wonderful memories I shared with your family are far to many to count but still remain cherished. Rest assured this fall they will both sit together proudly watching the Eagles from the highest seats possible still on the 50 yard line!

My love to all the English's!
