“ *Bill was a volunteer with me on The Lenola Emergency Unit. I ran many calls with him years ago. He also was a big help to me in updating the Burlington County Squad directory back in the day. I had recently caught up with him for a few beers a couple of times at PJ's, and was shocked to hear of his passing. RIP Bill, and Thank you for your service.*

“ *Bill was a brilliant programmer with a broad manner of thinking. We have spent many hours discussing what if scenarios and kicking around ideas. His intellectual contributions in all areas will be truly missed.*

“ Bill and I were friends in high school. We were both in the Band throughout High School. He was a great musician. As his father Art was involved in off-shore power boating, Bill had the largest collection of Off-shore Power Boat t-shirts a kid could have! He achieved the rank of Eagle Scout! Something he was very proud of. You will be missed Bill. You left us too soon! God Bless.
