

William David Harris

May 30, 2002 - April 24, 2020

William David Harris, age 17, passed away peacefully with family by his side on April 24, ending his two year battle with leukemia. In the days prior to his passing, he was surrounded by his family and the friends he loved the most at his home in Mt. Laurel. Will, a junior at Lenape High School, had a passion for video games, sophomore comedies, anime and all things basketball, especially the Philadelphia 76ers.

Will was the cherished son of Matthew and Annette Harris, loving younger brother to Michael, beloved grandson of Emiko Nichter. He is preceded in death by his paternal grandparents, David and Yvonne Harris, and maternal grandfather, William Nichter. Will is also survived by many loving aunts, uncles and cousins.

A service for Will will be live streamed for the public on this web page on Tuesday, April 28th, at 1 pm, followed by a private interment at Parkview Cemetery at Kirby's Mill in Medford, NJ. In lieu of flowers, donations in Will's memory may be made to the Children's Hospital of Philadelphia, www.CHOP.edu. To share your fondest memories and condolences, please visit www.Givnish.com.

Thank you for streaming Will's service. Your tributes made me laugh and made me cry. Although I only taught him part of his freshman year, I saw his qualities shine through. That little smile, and the thought that everything could be negotiated. What struck me the most, was his sense of right and wrong, no matter who was challenging him. That compass was a tribute who set it: mom and dad. My sincerest condolences to he Harris family. My prayers will be with you.

Matt, Annette , and Michael, thank you for letting us all be apart of Will's beautiful service. Don't think of Will as gone away his journey has just begun, life holds so many facets this Earth is only one. Just think of Will as resting from the pain , sorrow, and tears, in a place of warmth and comfort where there are no days and years. Think how Will ,must be wishing that you could know today, how nothing but our sadness can only pass away, and think of Will as living in the hearts of those he touched, for nothing loved is ever lost and Will was loved so much. To you and all of my, Harris cousins, and families you are all in our thoughts and prayers. All our Love, Rosie and Joe 📿🙏

I confess I was skeptical of a remote service, but it was beautifully done. It was so nice to hear stories of Will as a younger child and about how he was known to his friends. I will miss him very much, as will we all at the Voorhees office and CHOP in general. I've gotten so many comments from my colleagues about how much they'll miss Will.
