“ BJ is the name I've only ever known to call him . I remember being at his home it seemed like a week after they got him . The three “Burger” sister cousins got to hold the new baby !!!!  
Fast forward BJ was always ready for the family reunions!!! He loved family so much . Because of distance we didn't see each other often but the family was sure to at least have that 1 year reunion . And summers visiting with pool parties .  
Gone too unexpectedly soon .
