“ *Heartfelt condolences to Sandy & Family.....I met Bill in the 9th Grade at Oaklyn School and we were friends through Collingswood High School and Camden County Community College. We both decided to pursue Law Enforcement as our careers. (Bill achieved his desire, I chose a different path) I'll always remember Bill as a kind & friendly guy who loved fun! Always a smile, never started a fight with anyone but had the ability and often did finish a fight, no problem. I will never forget a particular football play Bill did in high School on a punt return as he completely flattened FOUR would be tacklers with one cross-body block! It was the coolest football play I have ever seen before or since and of course, he got up smiling! I know Bill is smiling in Heaven today and will be for eternity. God Bless Billy Kennedy.....Chris (Chuck) Donohue*

PS...I'll just bet Bill is still driving that '66 GTO he loved so much!

“ When I first met officer Kennedy many years ago he was so very nice to me. Always tried to guide me in the right direction. Many years later I ran into Bill and his wife and he was still that caring and wonderful guy. He always made me laugh when we seen each other. I will always think of Bill when I hear someone call me hurricane. His passing is a sad loss. To Sandy Allison Scott and family May your memories help comfort you and I hope you know how much Bill impacted many lives.

“ I am so saddened by the passing of this amazing man. I have not met a man more dedicated to loving and caring for his beloved family. Even more... He was a man dedicated to his community that he served as a police officer. Further, this wonderful man knew how to have fun and bring joy to other people by hosting events at his house that were filled with friends and family and neighbors...just embracing life and embracing love. He is gone too soon but he would be remembered always.
