“ *Pops you will be greatly missed! The only man I have ever met that didn't have a mean bone in his body or a bad word to say about anyone and would help a complete stranger in need! Always had a smile on his face no matter what was going on in his life! Great man- you will be missed!*

“ Oh Daddy how I miss you. You showed me what unconditional love really is. Through all my wrongs you stuck by me and loved me. You were the only man in my life for so long because no one could ever compare and match up to you. I know you would have liked to see me succeed more but I'm so glad you walked me down the aisle and found a best friend in Pee Wee. Daddy I miss you so much. I'm glad you are no longer suffering and you hate to see me cry but I can't help it. I feel so alone and like I have no one. I just want you back and I'm sorry if that sounds selfish but you were just that wonderful. I was and am still lucky to have shared a life with you. One day I will see you again and I know you will welcome your Gooch with open arms. Start working on that joke. Say hello to Grandmom and Pop Pop and Uncle Carl. I love you Dad.

“ My grandfather was and AWESOME man. He NEVER once missed a visit with me in the hospital. He taught me how to swim, how to drive, how to drive a boat, how to ride a bike. He was awesome person all around and I am sad he is no longer here. I lived withy grandfather for my 23 years of life and I could not imagine life without him. Pop pop, you will be missed. Thank you for all you have done for me, thanks for paying for college, thank you for seeing me off to proms and buying my cars, but most of all thank you for being you. I love you more than you could ever imagine. You are my soul and life is going to be so different without you here. Rest easily, pop pop.
