“ *Billy was a very dear friend of mine for many years. There were so many memories gathered over those years, but one sticks out the most, which was having a cold beer on the back deck on a summer day listening to a phillies game with, his dog buster, and brother in-law George. He will be terribly missed. Madelyn I am so sorry for your loss, remember he always said you were the best wife he ever had. It's hard to find good men in this world today, but I believe we just lost one. Signed Don S.*
