

William C. Tymick

June 19, 1953 - January 21, 2022

William C. Tymick of Cinnaminson passed away on January 21, 2022 at the age of 68. He was born in Aurora, Illinois to the late Marvin F. and Shirley (nee Nobis) Tymick. In his freshman year of high school, his family moved to Cinnaminson and he and his parents never left. He also had a brother, John. Bill obtained an associate degree in accounting from Burlington County Community College but fell in love with truck driving instead and did that for the rest of his career. Before retiring a few years ago, his last job was at New Penn Motor Express in Cinnaminson.

For most of his life, Bill was an avid golfer. He also loved doing home improvement projects, both at his own home and the homes of his friends, and especially enjoyed woodworking. Bill had a tool collection that could rival Bob Vila's! He loved warm weather and going on trips with friends. He was a forever fan of the Eagles, even on their bad days, and enjoyed Phillies games. To Bill, the perfect woman was Betty Boop. He loved fishing with his nephews (he liked to claim he taught them to fish...), sending surprise presents to his friends, and watching spooky shows, especially "Supernatural" and ghost-hunting shows. If you knew Bill and experience a mysterious prank, he may just be testing out his new ghost powers on you!

"Friends" isn't the right word for the people in his life because almost everyone he met became his family. Like a dog, if he didn't like you, there was probably something wrong with you. He always saw the positive in people and gave everyone the benefit of the doubt. He was insanely generous with his time,

treasure, and talents, especially if anyone could benefit from his beloved Ford F-150. Bill was there for anyone who needed help, even if he had just met you, from building a deck to a late night pickup from the airport. Bill always had a sense of humor, even in hard times, and had a knack for making people feel very special.

Along with his parents, he was preceded in death by part of his chosen family, John and Cathy Leedom of Souderton, who were his best friends for many years. He is survived by their daughters, his honorary nieces, Jennifer Leedom of Aston, PA (also his goddaughter) and Amanda Johnson and her husband, Josh, and their boys, Nicholas, Noah, and Nathan, of Souderton, PA. Uncle Bill was the best uncle any kid could ask for: always supportive, proud, and teasing. There are many who had the honor of calling him Uncle Bill while they were growing up and then passed on that honor to their own children.

Bill's chosen family includes many, all of whom felt like he was a brother or an uncle to them. There are too many to list here but of note are: his best friend from high school, Rex Knowlton, and his wife Gina and their children and grandchildren; Donna and Bob Steranko and their children Bobby, Ryan, and Brandon; Charla Paetow; John and Cathy Misunas; Judy Erichson; Susie and Doug Lloyd; Lonnie DeRosa and Linda Tromp; Glenna and Moose Piechota; and Ken and Tammie Kennedy.

We all join in saying: Oh no, Mr. Bill! You left much too soon, and we'll love and miss you always. Thank you for everything.

The best way to honor Bill is to spread kindness and humor. However, in lieu of flowers, donations can also be made to University of Rochester Medical Center at <https://www.urmc.rochester.edu/giving/urmc-advancement/giving/how-to-give.aspx>

Bill requested to be cremated and his ashes will be spread at a later time. A Celebration of Life will be held around his birthday in June.

“ My wife and I lived “underneath” Bill in Westampton Courts in the early 80’s. Bill was a great neighbor and he was very nice to two young newlyweds. He always spoke highly about Trucking and I believe he worked for Super Fresh at the time. When we knew Bill he had a great affection for cars and he helped us more than once with ours when we had a bit of difficulty with it. May his memory be a blessing to those that knew him.

“ Bill enjoyed life. From ball games to travel, and of course his God children. He was always excited to talk about his family. So many memories from the short time we knew each other. We enjoyed going out to eat, and to enjoy a cold beer. My wife and I attended our first ball game at Citizens Bank Park with Bill and Rex. The Phillies won and the weather was perfect. Bill found out my mother-in-law was an Eagles fan. He brought her an Eagles blanket and she held tight to that every game as she cheered on her team, and Bill's team. That was the kind of man he was, generous and kind. I always felt Bill was ready for anything we talked about. Except getting rid of his old F-150 ! We joked about that pick-up, but it was his trusted steed. A friend that didn't know how to say no and was always ready to lend a hand. Tammie and I will miss his visits and companionship. The world lost a good man but Heaven gained a great representative of mankind. RIP buddy !

“ Bill was a one of a kind guy. He was my best friend for 44 years. We were golfing buddies for over 20 years, worked at 3 trucking jobs together. We shared a love for the Eagles. He was always there when you needed him. He was best man at my wedding. Had many barbecues together (his burgers were the best) . I named my son William in honor of my friendship to Bill. He was always proud of that especially when my son started calling him "Big Biil". The thought that he won't be over to swim in the pool or share a barbecue with is sad beyond words. Bill was the best. I will always miss you my friend.

“ I had to share this January 1, 2022 photo of you with your Eagles Sweater that lit up. Bill you were so funny when you turned it on, as always, you brought much joy and laughter to our gathering. I also posted photos with your New Penn Buddies, what a great group of guys. I will always be grateful Bill for your care and concern for my Dad as well as the rest of my family, which you know Bill you are a part of even though Joe hid the papers. I will miss you so much but I know my Dad will miss your calls and you keeping him updated on everyone. I bet you took the best Mack and put the pedal to the metal on I-80 to Heaven and hope you now relax and enjoy because you have earned it with with all your kindness.
Cheers and Love, Alicia

“ Everything in the lovely obituary about Billy Tymick is so true. He was just the salt of the earth. Tom Fisher and I have been the recipients of his many kindnesses including rides to and from trip departures, his expert wood-working, great dinners, outings and more. Any time Tom was hospitalized, Billy was always the first one to visit. He will be sorely missed! Norma Blake-Fisher

We have met Bill many times. Bill's good friend's Rex and Gina Knowlton are our son's in-laws. Bill was always cheerful and helped our son and daughter-in-law many times for which we are very grateful. Bill will be missed but leaves many good memories.
