“ *I clicked on here figuring I would write down a memory of Aunt Wini and yet I cannot come up with just a "single" memory to write... When you think of Aunt Wini the words that come to mind are kind, compassionate and calm. Whenever you spoke with her she was always so interested in what was going on in your life. She loved being there spending time with you while you spoke. Family meant more to her than anything else. So sad to think that she is the last of my grandmother's siblings to pass. I'm sure she is having a wonderful reunion in heaven. Thank you Debbie, Gene, Diane and girls for taking such wonderful care of her.*
