Yta spent a lot of time with her husband at their summer home in Ocean City before he passed away. Later in life, she spent many summers at her childhood home/farm in Maine that she loved so much. She was a loving Grandmother and always enjoyed seeing her grandchildren and great grandchildren. She worked at the family business in Philadelphia and Strawbridge & Clothier in Cherry Hill, NJ. She told many stories of her mother and father: In her youth, she met show business personalities since her father was in show

It is with great sadness that someone that I deeply loved and appreciated has passed. She was a sweet, caring and loving woman who always had her family's best interest at heart.

I grew fondly of Yta when I was soon to have Jacob, her fourth grandchild. We had many talks and we stayed connected through the years including Christmas which was always a family tradition that I appreciated. I believe she loved and enjoyed all her grandchildren and I was honored to be a part of her life.

Ed and I always took her on our trips with Jacob including Legoland and Universal Studios. We had a lot of good laughs.

Yta Chloe was a classy woman who was not only my son's best grandmom, she was my friend, and a mother figure that I will always be grateful for.

We had some good talks and I appreciated that she could open her heart to me as I would to her.

I once read:

The entrance into another's soul is a sacred honor.

That is always how I will remember you- Yta Chloe.

We love you. You will forever be in our hearts. Jacob will forever miss you. Thank you for being a big part in his life as well as mine.

I miss you.

“ Condolences from the end of Morrow Hill Rd. In the 25+ years I've lived here there have been a lot of changes, but the one constant is the knowledge that we at the end of road have always had, and will continue to have, each other's back. Yta was a good neighbor and friend, and will be missed.

“ How can I squeeze just a few memories out of the 50+ year friendship Yta and I shared. From the early, young decades with our young children--with Ed and Les the family trips --skiing in New Hampshire -- Nantucket - the boat years - the shore - the decades of the funny, fun bridge club - the Batchelor's Barge Club - and so much more. And then -- the growing older years, recently contacting by phone to get updates on family, friends and not solving the world's problems. I am beyond sad that I will never again pick up my phone and hear her voice.

“ Nothing but sweet memories of this beautiful woman and her family. She welcomed me into the family as Ed's high school girlfriend with accepting and open arms. She opened my eyes to a whole different way of life and showed me what it meant to be part of a loving family. To this day, I have a tiffany lamp like hers hanging over my dining room table. Her gracious heart included me in family holidays, a trip to Maine, and many 'ordinary' family things that were treasures to me. I am saddened to hear she is no longer on this earth, but find joy in knowing her legacy lives on in all of her family's hearts.....and mine.

“ I was very lucky to have such an amazing grandmother that did so many things with me and my brothers. I will never forget all the great times with her and my grandfather. Going on the boardwalk taking us into the ocean, swimming in the neighbors pool, playing video games with us. Letting me fall asleep in her giant bed while watching I love Lucy and the most delicious bowls of ice cream before bed. So many fun and great memories I will for ever cherish. I love and miss you so much grandmom. Xoxoxo Liz

Many years ago Yta and Ed and my husband and I traveled to Italy and England then later they went to Aruba with us. We always enjoyed their company. After our husbands had passed away we still did some traveling together. In recent years we have only been able to visit via phone. Her soft spoken voice will be sorely missed. Rest in Peace Yta
